New Love Island TV host goes braless

IRISH telly presenter Laura Whitmore will replace Caroline Flack as the host of ITV's new *Love Island*, it's been confirmed.

And looking at her amazing boobs – which she revealed in a see-through frock on a night out in London – dads will be thrilled!

PALS: Laura (*above*) and Caroline

The 34-year-old has stepped in at the last minute after Flack's announcement she will stand down as the series host after being charged with assault.

Former MTV host Whitmore will join her boyfriend Iain Stirling, who currently narrates for *Love Island*, in South Africa where the new winter series is being filmed.

By SUZIE SHELDON
news@sundaysport.co.uk

She said: "To say I'm excited to be heading to Cape Town to host *Love Island*, the biggest show on television, is an understatement.

"I want to thank ITV for trusting me at the helm of this huge show.

"I wish it was in better circumstances – Caroline is a brilliant host and also a friend."

Flack, 40, was charged last week "following a private domestic incident", reportedly involving boyfriend Lewis Burton.

The new series starts on January 12 on ITV2.

MONDAY

A TOP barrister is found guilty of punching a male fashion designer during a row over a seat at London's Royal Opera House.

The bad news is that he could lose his job over this.

The good news is that Channel 5 want him to co-present a new series called *Opera's Deadliest Firms*. With Danny Dyer, obviously.

TUESDAY

WEDNESDAY

EMILY Thornberry becomes the first Labour MP to officially throw her hat in the ring as the new Labour Party leader.

To be fair, Diane Abbott would have been first but she'd spent the previous three days trying to throw her ring in a hat. And missing.

Thornberry reckons she's Labour's best bet at defeating Boris Johnson. But only because she looks a bit like him, so people might vote for her by accident.

THURSDAY

LOUGHBOROUGH University promises to investigate reports that members of its female hockey team were forced to eat maggots as part of an initiation ceremony. Which makes a change from beaver.

FRIDAY

THE new Speaker of the Commons, Sir Lindsay Hoyle, is diagnosed with diabetes.

What's one more little prick when you're already dealing with 650 of them?

SATURDAY

DISGRACED telly star Michael Barrymore pulls out of the ITV show *Dancing on Ice* after breaking his wrist during a rehearsal.

Poor Michael. We'd have loved to have seen him on that show… if only in the hope of a power cut melting the ice.

CHURCH WARDEN SACKED OVER 'FUN' PIC TAKEN BY VICAR

LOST EVERYTHING: Ex-warden Elisabeth posed for racy pic

TELLING-OFF: Rev Freddy Purnell

WHEN churchgoer Elisabeth McWilliam posed for a risqué photo for her secret vicar boyfriend, she expected the snap to be kept private.

But that was until a series of mishaps lead her to losing both loves of her life – her boyfriend, and Jesus Christ.

The saga began when Elisabeth, 48 – a seamstress and volunteer church warden – went for a stroll in the Yorkshire Dales with Rev Frederick Purnell.

She told *Sunday Sport*: "It was very quiet, and Freddy suggested we do something a bit naughty for once. Only God could see us, and he wouldn't mind, we thought.

"Maybe it was the fresh air, I don't know, but in the blink of an eye I had my breasticles unleashed and my panties pulled down a bit.

Forgiveness

"Freddy took the photo and we started giggling together, before I quickly got dressed and we both kneeled to pray for Our Lord's forgiveness.

"Freddy printed the photograph out at home, but as it was chugging out of the printer the phone rang. It was the bishop – and he was on his way.

"We hastily began to tidy up the vicar's house and somehow completely forgot about what was lying on the printer.

"Sadly, the first thing the bishop wanted to do was use the office to check his emails. And he saw what was lying face-up in the printer tray."

The bishop, whose name and diocese we cannot name for legal reasons, removed Elisabeth's standing as a church warden on the spot, and Freddy was given "a stiff telling-off and told to say a lot of prayers", she added.

"Now he doesn't want to be associated with me anymore because he fears it could ruin his ministry. And it means I can no longer attend my house of worship.

"I've lost Fred, and I've lost God."

HAIRCUT KILLER CAGED FOR LIFE

A KILLER who stabbed to death for cutting his hair badly with clippers has been jailed for life.

Jario Sepulveda-Garcia, 37, was incensed when 32-year-old David Lopez-Fernandez nicked him and a row started.

The loon grabbed a large kitchen knife and stabbed Lopez-Fernandez six times, later claiming he was acting in self-defence.

Prosecutor James Mulholland said Sepulveda-Garcia stabbed his fellow Spaniard repeatedly at the house they shared in a squat in Bethnal Green on February 25 this year.

He told Southwark Crown Court: "He collapsed within seconds of the injuries being inflicted and was dead in less than half an hour, such was the severity of the assault.

By BARNEY SAMUELS
news@sundaysport.co.uk

"David Lopez-Fernandez had been in the UK only three weeks. An hour earlier he had knocked on the door of a flat within the squat which the defendant shared with another male and offered to cut the defendant's hair."

Screams

The killer was later to tell police how the barber nicked his skin with the clippers.

Other house mates heard the victim's screams and found Sepulveda-Garcia with the kitchen knife in his hand. He buried the knife in a park but then handed himself in to police.

Mr Mulholland said: "The defendant said he told Mr Lopez-Fernandez to leave the flat but he did not do so and started coming towards him."

The killer said: "I moved my arm forward and I realised that I had stabbed him on the leg. It was to frighten him…but I stabbed him lower in the lower part because I know that in the area of the leg is not an area where anything serious can happen to him."

Cath Carrie, from the CPS, said: "This was a mindless murder over a haircut. David Lopez-Fernandez had moved to London to start a new life and this was cruelly snatched away from him."

Sepulveda-Garcia, of no fixed address, denied but was convicted of murder.

He was sentenced to life imprisonment with a minimum term of 17 years.

CAGED: Sepulveda-Garcia

The children asked... 'What's Santa doing to that reindeer?' It would have ruined their Xmas to tell them

OH DEER: Underhill and reindeer like the one he tried to shag

PERV FACING JAIL FOR VILE FESTIVE SEX ACT

A PERVERT dressed as Santa – emboldened by too much festive spirit – dropped his trousers and has sex with a £15 Argos decorative reindeer.

That would be bad enough but Francis Underhill's Yuletide over-exuberance occurred in a neighbour's front garden at five in the afternoon where it was witnessed by passersby and the owners of the illuminated decoration.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

On Friday, Underhill, 62, pleaded guilty to outraging public decency when he appeared before magistrates.

The court heard that cops were called when Underhill, who had been merrymaking with pals in Rochdale, Lancs, was spotted with his Father Christmas trousers around his ankles and his "semi-flaccid" member thrusting towards the two-and-a-half foot decoration's hindquarters.

His Santa hat askew, he was heard singing, "Rudolf the red-nosed reindeer" and waving his arms about.

One witness – who cannot be named for legal reasons – told cops: "He was making a hell of a racket. Father Christmas shagging an artificial reindeer in a garden. You can't ignore that, no matter how much you try.

"I was bringing the kids home and one of them, the youngest, who is three, asked, 'What is Santa doing to that reindeer?'

"How do you answer that? To tell him would have been to ruin the magic of Christmas.

"In the end I had to say Santa was drunk and would probably not being any presents this year as he'd have to go into rehab. It's all I could think of on the spot."

JPs adjourned the case until the New Year for reports.

Meanwhile, Underhill is barred from wearing festive costumes.

Drunk soldier slashed sailor

A DRUNK soldier was so offended when a sailor called him 'shipmate' that he smashed him in the face with a beer bottle, leaving him permanently scarred.

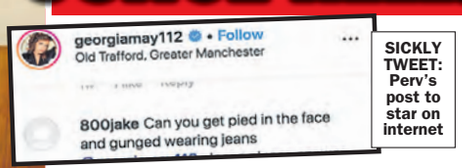
Abasey Ralph, 35, left his victim with a six-inch scar on his forehead after a row erupted when members of the Royal Navy and the Army came together for a game of dominoes.

A court heard "banter went too far" when sailor Rawlston Alexander called Ralph "shipmate" twice, causing the soldier to lose his temper and lash out with a bottle of Corona.

At Portsmouth Crown Court Ralph of Gosport, Hants, admitted a charge of assault occasioning actual bodily harm for the incident, which took place in August, but avoided jail.

GEORGIA'S SEX GUNGE HELL!

BABE: Georgia



SICKLY TWEET: Perv's post to star on internet

SCORCHING *Strictly Come Dancing* star Georgia May Foote is being targeted by a perv who wants to "gunge" her.

The 26-year-old actress posted a picture of herself in a Manchester United shirt on her Instagram feed.

And while most of her followers started bantering about football, 800Jake insisted she reveal if she would get covered in cream and gunge for him.

He posted: "Can you get pied in the face and gunged wearing jeans? Please, please answer my question."

Former *Corrie* beauty Georgia did not reply to his inquiry but a pal insisted she had no plans to do what he asked, saying: "This is creepy and weird. It's clear he gets some kind of sexual thrill from this, and Georgia won't be getting creampied or gunged for anyone."

Arnie: Watching my son bonk is wild!

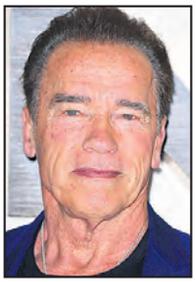
HOLLYWOOD legend Arnold Schwarzenegger had 'an experience and a half' watching his son Patrick BONKING

The 26-year-old rising star bares his behind for the intimate sex scene in new horror movie *Daniel Isn't Real*.

Appearing on a US chat show, Arnie proudly revealed that watching the scene "was absolutely wild, you know?"

"Two days ago, I watched at night my son's movie, and it was just wild watching him.

"His acting was so extraordinary, so talented, and then all of a sudden there's this sex scene!"



Luckily, he was not taken completely by surprise since Patrick's mother, Arnie's estranged wife Maria Shriver, had warned him what was coming.

"She said, 'I just saw Patrick's movie, and it's like unbelievable and I saw his naked butt there having a sex scene!'

"And so I watched the movie. But it's really an experience and a half, I tell you"

Getting nude for BBC made me feel great

STRIPPING off for her BAFTA-nominated role in *Lady Macbeth* helped boost her confidence because of all the nudity it required, revealed actress Florence Pugh.

The 23-year-old actress looked back on her breakout role in the BBC adaptation of the Shakespeare classic as she confessed: "I loved the fact she was naked all the time. At that point in my life I had been made to feel shit about what I looked like and that film was perfect, there was no room to feel insecure."

Florence went on to explain that she had felt eager to please at the beginning of her career, but was able to stay true to herself.

She revealed: 'When you go out to LA as a baby-face, fresh thing you need to know exactly what you are representing when you go into meetings – so if someone says, 'That's really cool you don't pluck your eyebrows,' that you don't fking, like, die and whimper."**

Florence is currently in the star-studded movie adaptation of *Little Women*.

Kate loses weight but not on her arse

KATE Garraway has revealed she lost a load of weight while in the *I'm A Celebrity* jungle – but she's still got a well-padded ARSE!

The *Good Morning Britain* host, 52, took part on the ITV reality show last month and finished in fourth place.

Kate told Ben Shephard, Charlotte Hawkins and Richard Arnold that while in the Australian jungle living on rice and beans, she lost a stone.

But she was quick to add some of her body parts were still curvy as the weight only came off certain places.

She joked: "As always, it comes off the bits you don't want, doesn't it? There's still plenty of thigh, we don't need to worry about that. And bottom!"

She added she "couldn't believe" she had stripped down to a bikini for a shower in front of the eyes of the nation.

Kate said she had not expected to do it, because of her age, and even apologised for it.

Maradona 'was taken by a UFO'

WORLD Cup cheat Diego Maradona has revealed he was once abducted by a UFO – and says he lost his virginity "at 13" with an "older lady" who was "reading a newspaper" during sex.

Maradona (*above*), 59, made the comments in an interview with a sports channel in his native Argentina.

When asked if he believed in UFOs, he said: "Why make things up? Once, after a few too many drinks, I was missing from home for three days. I got home and said that UFOs had taken me. I said 'They took me, I can't tell you about it'."

When asked about what age he made his "sexual debut" the former Napoli star said: "At 13 years old, in a basement with an older lady. I was on top and she was reading a newspaper."

Maradona added that he spent his first pay packet "in a pizzeria" with "my old lady (mother) alone."

Leotard perv is banged up

A CONVICTED sex offender who was banned from going online has been jailed after he was caught on Instagram looking at ballerinas in leotards.

A police search showed Mark Grindon, 36, had hidden several digital devices – showing the profiles of females online – alongside leotards and sex toys behind a false shelf in his bathroom, in breach of a court order.

He was convicted in November 2016 of making indecent images and was given a suspended jail sentence.

Grindon, of Mannings Heath, West Sussex, was found to be using Instagram to look at the accounts of more than 30 females from across the country, mainly in ballet and leotard outfits.

At Guildford Crown Court he was sentenced to 18 months in prison.

MEET THE 'NEW PHIL AND HOLLY'

LUCKY BREAK: John and Sid train for show

Pair to take over This Morning sofa

TWO homosexual tramps are set to take over the *This Morning* sofa for one morning in February as ITV bosses try to make their daytime flagship more "inclusive".

John Green and his lover Sid "Biter" Burgon were talent spotted by the show's producers as they sang the Sonny and Cher duet *I Got You Babe* beneath Central Pier in their home town of Blackpool.

And after some "basic" TV presenting coaching, the pair are now said to be ready for their on-screen debut in the New Year when regular hosts Phil Schofield and Holly Willoughby will step aside for the day.

An ITV source said: "We hold regular focus groups and one very exciting thing we heard from a panel of young people in Hackney was that the show should be more diverse and more inclusive.

"We said, 'But we've got that big Alison Hammond girl!' and they replied, 'No, even more inclusive than that'.

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

"The resulting search led us to John and Sid.

"Gay and homeless, that ticks a few boxes, doesn't it? It would have been better if they had been black but you can't have everything. And John said his uncle is Irish, so that's something at least.

"And the best thing is, they are a lot cheaper than Phil and Holly."

Last night John and Sid were busy celebrating their good luck in the streets of Blackpool and it was frankly impossible to get a word of sense out of them.

Rumours

But not everyone is totally impressed by the latest act of politcal correctness.

One *This Morning* staffer said: "Tramps presenting *This Morning*? They must be out of their minds! What next? Drug addicts presenting the weather?"

ITV bosses hope that news of John and Sid's guest stint will take the spotlight off rumours about the show.

Last week Philip was forced to hit back at talk of a rift with co-stars including Holly.

Asked about speculation of tensions the 57-year-old said: "Can you imagine a feud between us? It's not as if we have to defend anything.

"It's a shame. We are so open on the show, we are so open online and we go on holiday together.

"Holly is the sister I never had, we think at the same speed. Everyone who knows us, I mean, everyone at *This Morning* was like, 'What the hell?' The atmosphere in our studio is so wonderful, there's such a lovely team."

His comments follow reports of clashes with colleagues over his allegedly brusque manner.

Ruth Langsford, who presents the show with her husband Eamonn Holmes every Friday, is understood to have made a complaint about Phil, thought to have been prompted when he cut her off during a crossover link to *Loose Women*.

ITV has flatly rejected the reports, adding: "It's deeply disappointing and unfair for Phillip to be the target of this sort of malicious gossip."

FUED TALK: Phil has had to fend off rumours of Holly rift

Porn snappa guilty of 15 rapes

SEXUAL NEEDS: Paul Brown

A PHOTOGRAPHER who raped six women after duping them into becoming models, is facing a long jail sentence.

Paul Brown created a fake modelling agency and contacted his victims on social media telling them they could earn thousands of pounds from adult shoots, a jury was told.

Prosecutor David Sapiecha said Brown, 41, had a black book which was seized when police searched his studio in 2017.

In the back of the book was a series of codes with abbreviations like T for t*ts, HJ for handjob, BJ for blowjob, TTS for toss salad.

Mr Sapeicha said Brown, of Okehampton, Devon, was detailing "his own sexual needs" in the book which had nothing to do with professional photoshoots for models.

Exeter Crown Court had been told that Brown told the women they were casting for a fake model agency called Model South West.

He was also accused of filming naked women at his Dartmoor studio and sexually assaulting others.

After a five week trial, Brown was convicted of 15 rapes against six women and five out of six charges of voyeurism.

He'd denied 28 charges in a series of police interviews and denied being a kind of 'Harvey Weinstein'.

He was remanded in custody and will be sentenced in February.

Putin general: World War III is on the way

RUSSIA'S top general has warned that World War Three is due any day now!

Valery Gerasimov (*above*), who runs Vladimir Putin's army, believes the West IS preparing for a "large-scale military conflict".

And he is urging his own country to prepare for the attack – and even to strike first.

He said the West has assigned "adversary status" to Russia and the pointed out NATO's summit in London wanted faster deployment to the "eastern flank".

NATO and Russia have both shipped tons of military hardware to their frontier in eastern Europe.

Both regularly accuse the other of aggression over the build-up, and General Gerasimov warned this could accidentally spiral into conflict between Russia and NATO – World War 3.

Putin's war boss said: "We can't rule out that crises could emerge that may get out of control and develop into a large-scale military conflict."

IS THIS THE SICKEST MAN IN BRITAIN?

Behind this ordinary lock-up in Whitehaven lies Britain's only ANIMAL SEX brothel

FOWL BEAST: 'Pimp' Herman outside his sick animal 'brothel'

PERVERTS are flocking to a back street in the Cumbrian town of Whitehaven – to indulge in vile animal sex!

For just £20, the depraved can have sex with a turkey or other beast facilitated by a man who calls himself Herman.

SUNDAY SPORT EXCLUSIVE

By GARY DORAN

Advertising on the Dark Web the monster keeps three pigs, two turkeys, two dogs, a goat and a capybara in a tiny lock-up.

The poor innocent creatures are often dressed up in kinky lingerie and the pigs are forced to wear wigs and make up.

When clients get in touch with the sick animal pimp he meets them at the garage and makes them wait while he prepares the "sex area" and animal of choice.

Our reporter booked a two-hour session with a turkey in what was advertised as the brothel's "Christmas special".

Upon arrival Herman rolled up the shutter and a cacophony of noises and smells drifted out.

Herman returned three minutes later and said in a broad Scottish accent: "The bird is ready to be stuffed."

Our reporter handed over two £10 notes and was then led inside to an area partitioned by dirty blankets and towels.

On a bed was a turkey wearing stockings and suspenders.

Excuses

The sight of the poor innocent creature – which had clearly been trained to provide pleasure for sick humans to fulfil their vile lusts – made our man physically sick.

He made his excuses and left without having touched the poor bird.

When *Sunday Sport* later confronted Herman about his foul business he simply shrugged.

The sick pervert said: "I am doing nothing wrong, and I haven't had any complaints.

"The animals like it. Trust me, if a turkey doesn't want to wear stockings you can't make them."

Our files have been made available to the police.

PERVERT'S CINEMA W*NK AT CATS FILM

PERVERT Harry Dale faces Christmas in jail after being caught wanking off in a cinema while watching pop babe Taylor Swift in the new *Cats* movie.

The 33-year-old was dressed in a full cat outfit which had an easy-access panel to allow him to whip his penis out.

All eyes were already on the builder from Birmingham, thanks to his bizarre costume, but curiosity turned to outrage when he started pulling his pud.

Ushers at the cinema, which cannot be named for legal reasons, asked him to leave but he refused and the police were called.

As he was led out of the cinema he yelled: "Furry rights! This is typical of Boris's Britain. This is cruelty to animals."

He will face trial early next year.

Snapchat sex vid sentence

A FATHER-OF-FOUR, caught after a schoolgirl put a video up on Snapchat of him masturbating in front of her, has received a suspended prison sentence.

John Smith, 59, invited the 15-year-old girl into his van after asking for directions. He then performed a sex act.

He texted her later to ask to meet again that same evening. The girl agreed, got into his van and he again masturbated in front of her.

Police were called after her parents discovered that she had recorded the incident and put the video up as a story on Snapchat.

Smith, from Dublin, pleaded guilty at Dublin Circuit Criminal Court to inviting or coercing a child to engage in a sexual or indecent act.

Judge Martin Nolan said that to say it was unusual behaviour "is an understatement".

Holdalls stuffed with food, phones, booze and SIM cards have been found by staff at the a 380-capacity open prison – although most are picked up by lags before they are found by prison workers.

A new report by inspectors from the Independent Monitoring Board has revealed how 'contraband' getting into the prison remained 'problematic'.

Previous reports into the jail highlighted food and booze being tossed over fences in bags, with fillet, ribeye and T-bone steaks being found, as well as liver, fish, sausages and bacon, which can be cooked in designated kitchen areas.

In the report, the inspectors said: "It is appreciated that it is difficult for an open estate to minimise the 'drop' to the prison but extra grounds patrols may be a deterrent as will the increase in security lighting."

HANNAH LOVES A FESTIVE TIPPLE!

By WENDY THOMAS
news@sundaysport.co.uk

SUPERFIT Scouse beauty Hannah Elizabeth says she absolutely loves Christmas – because it's the only time of year she can find eggnog!

The 29-year-old babe, who boasts incredible 32Gs, said she fell in love with the sweet rum drink while shopping in New York once.

And now she can't get enough of the stuff!

She said: "It's my all-time top alcoholic drink, but it's only ever available at Christmas.

"I like mulled wine, too, but that's the same – if you ask for it in summer people think you're mental!"

PIN-UP OF THE WEEK

I only asked, 'Does my cock look big in this?'

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

PITY poor Donald Hanson, who got a sound thrashing – just for showing off his new THONG!

Proud Donald, 55, had been sent the slinky groinwear by his prison pen pal Arthur and was so chuffed he decided to wear the codpiece to his local pub.

Unfortunately, locals at the Bolton boozer – which cannot be named for legal reasons – were less than impressed at Donald's attire when he strode in at lunchtime asking "does my cock look big in this?"

Donald said: "The pub was full and everyone turned to me.

"Then there was sort of a general roar of disapproval and a couple of the burlier regulars came over and gave me a bit of a pasting.

"How was I to know there was a wake going on?"

Donald says he'll now be taking his custom elsewhere.

But a source at the boozer said: "We'll be glad to see the back of him. He's an oddball, plain and simple. He turned up at the family fun day in the summer wearing stockings and high heels.

"I know you're not allowed to say it these days but that's just not right.

"Some of the kiddies were in tears. They didn't understand."

Scream stunna Rose sex tape hell

STUNNING actress Rose McGowan says someone from her past is threatening to release a sex video of her.

Not naming the person who allegedly plans to make the tape public the tape, the 46-year-old beauty claims a third party informed her about the video.

in a late night Twitter thread Rose said: "I find it deeply distasteful to discuss my personal life, but because I let the wrong person touch me, I'm in an icky situation.

Drugs

"Here's the situation: a person from my past is now (via a third party) allegedly threatening to release a sex video of me and say I enjoy recreational drugs."

Rose – who hit the big time in 1996 when she appeared in the movie *Scream* – admitted to having enjoyed drugs, adding that she's an adult in "supposedly the most free country in the world".

She said: "Here's the breaking news: I have lived in Hollywood by myself since I was 15. If you think I have not done drugs, well, that's nuts.

"I may live my life differently from most, I certainly get fked with more than most, and maybe that's the price for living a free and full life, I don't know.**

"What I do know is that I'm being bullied and I think blackmailed. I have so many devils after me, it's honestly hard to keep track of the shitbags riding my tails."

Rose later concluded: "So, here's a heads up: if yet another stolen sex tape goes online, or if you hear (clutch those pearls!) that I enjoy recreational adult pursuits, know that it was never my intention to discuss my private life in this way.

"I'm done being bullied by fkwits who should bow down and kiss my feet."**

Tramp jailed for sucking off a drunk

A HOMELESS Algerian has been jailed for the oral rape of a drunk man.

Brahim Maddi, 36, pleaded guilty at the Central Criminal Court to sexual assault and oral rape in Dublin.

The court heard the victim had been out drinking with friends in the city centre and was "heavily intoxicated".

Maddi went up to the victim and took 5 euros from his back pocket. He rubbed the man's buttocks through his clothes, then lay on top of him and began to rub himself on the man.

He began masturbating and then left. He came back a number of times. On the fourth occasion he orally raped the victim, the court heard.

CCTV shows the victim lying face down and motionless during the assaults. Security staff raised the alarm and police arrested Maddi near the scene.

Maddi, who has a history of schizophrenia, admitted sexually assaulting the victim and was jailed for four years.

VANESSA'S 'ATHLETIC SEX' MADE ME CHOP OFF MY COCK!

Barry plunged into despair at thought of TV star's nookie

CRUELEST CUT: Sex boasts the final straw for Barry

IN these tortured, uncertain times nerves are stretched to breaking point and the onset of full-on, panic attack ad-dabs could happen at any time...

And reading about Vanessa Feltz's athletic sex life could be enough to unsettle a sturdy constitution.

So when unhappy Barry Wincanton ready about the larger than life media personality talking about doing sex, " over the kitchen counter, in the garage, over the dishwasher, wherever" it hit him hard.

So hard, in fact, that it led to the 57-year-old sliced off his own cock with an ornamental dagger left to him by his grandfather!

Last night recovering in a Manchester hospital where medics were able to re-attach his severed member, Barry groaned: "It wouldn't be fair to say it was only Vanessa's unnecessarily-explicit description of her lovemaking that made me cut off my cock...but it was certainly a major factor.

"2019 has been a terrible year for me and, as the year drew to a close, the last thing I wanted to ready about was Vanessa getting rogered senseless. I could only imagine the noise she must make at rut."

Barry explained that in the last 12 months his wife has left him for a driving instructor, he lost his job as a swimming coach after a "misunderstanding in the shallow end', he contracted a verruca and his pet snake was eaten by a buzzard.

He lamented: "Her sex boast tipped me over the edge. I was quite drunk and could not get it out of my mind.

Dramatic

"In the end I decided on suicide by Bobbiting – but after I chopped my cock off I came to my senses and dialled 999.

"I'm lucky, in a way."

Last week BBC star Vanessa revealed her sex drive with fiance Ben Ofoedu, rocketed after a dramatic four-stone weight-loss sparked by an life-saving operation to remove her stomach.

The 57-year-old said: "As long as I've got a spring in my step and a bit of 'oomph' I'm still in the market for a bit of spectacular athletic sex – much more than the missionary position.

PROBED: Harry and Ellen

FRIEND: Kendall

So Harry... did you give Kendall one?

ELLEN QUIZZES 1D HUNK

YANK chat show queen Ellen DeGeneres put singer Harry Styles on the spot about his close friendship with Kendall Jenner when he appeared on her programme.

The ex-One Direction star has always remained quiet about his personal life, but DeGeneres was eager to get the details out of Harry.

Styles, 25, appeared on the show to promote his second solo album, *Fine Line*.

Rumours of a potential for romance between Harry and reality show babe Kendall, 24, emerged in 2013.

Since then, the famous pals have joined each other for a few dinner dates and were even caught on FaceTime together during a recent vlog posted to sister Kylie's YouTube channel.

They also recently appeared together on *The Late Late Show*.

But even with all the evidence, fans – and even Ellen – had no clue whether the pair were still hot for one another or were "just friends" all along.

Ellen asked Harry: "You and Kendall are really good friends now, right?"

Harry, being careful with his words, confirmed he and Kendall have been friends "for several years".

Ellen then sarcastically said: "It's sweet that you are still really good friends."

Harry got the message and shut down the conversation, saying: "Yeah. Yeah, I think so. Right? Okay!"

Turkey fans get stuffed on sauce

A SURPRISING number of Brits will be dolloping tomato sauce alongside their turkey and roast potatoes this Christmas, a new study shows.

A poll of 2,000 Brits found that 11 per cent would be having tomato ketchup with their festive meal, rather than more traditional cranberry or bread sauces.

A quarter of those polled said mayonnaise was their top condiment to go with turkey and all the trimmings.

Bosses at Heinz confirmed the news, with a 12% upsurge in sales of its bottles of mayo around the UK in the past fortnight.

A spokesman at Heinz said of their tomato sauce: "It makes turkey extra-tasty and is superb with sprouts!"

A SHORTAGE of sprouts for Christmas dinner this year is predicted because the veg is being snapped up by vegans to make their disgusting "smoothies".

And the attending sex revelation.

Jack wrote: "I'm having heart palpitations. Sweet Vanessa."

A$AP jokes about sex vid 'leak'

US rapper A$AP Rocky has taken talk of a leaked sex tape in his stride, brushing off the drama with a jokey post on Twitter.

The 31-year-old star (*above*) shared a post which explained that "my penis and I woke up 2 the alarming disturbance of a video clip" after fans tweeted about a film allegedly being shared online.

In the X-rated post, he added: "As his defence attorney we're prepared 2 deny any slow strokes or lack of killin the pussy."

ASAP – real name Rakim Mayers – added: "A long list of women can attest, too. The real punchline is seeing people who never f**ked him rate him."

The video has since been removed from the internet.

Fans speculated that the clip, which was uploaded to a porn site, featured ASAP after spotting what they said appeared to be tattoos on the man in the video.

Burglars were home a-bone

A RANDY burglar broke into a house to have sex – and then left it splattered with SPUNK!

The shocked owners returned to their home after a night away and discovered they had been burgled.

Among the things they noticed had been stolen was the linen from their bed, the couple said.

They also said they found an empty bottle of rum.

Later that day, the couple found their bed's mattress protector, pillowcases and fitted sheet had all been discarded on land behind their house in Rotorua, New Zealand.

They also found stains on the linen that appeared to be semen, leading them to believe the thieves had actually had sex in their house.

Police confirmed there was someone they wanted to talk to, but that they were not identified through DNA.

We've put our advent calendar chocs up our arses... it's brought us closer as a couple

SWEET ON EACH OTHER: Harry and wife Susan

MANY happy couples like to engage in Christmas activities together over the festive period...

But Harry and Susan Thorpe have decided to celebrate the birth of the Little Baby Jesus in a quite different way – by shoving advent calendar chocolates up their ARSES!

SUNDAY SPORT EXCLUSIVE

Harry, 54, who admits the couple have a "slightly kinky" sex life said: "Susan and I have bought each other advent calendars for the last few years and this year – quite by chance – we got each other Lindt calendars.

"I took the first one out on December 1 and said to Susan 'I bet that would go quite nicely up my arse' and it was Susan who said, 'Well, if you do it, I'm doing it.' So that was the challenge. Get every advent choc up our arses."

Speaking on Saturday, Susan said: "We're now at December 21 – so that's only four more days to go and it's still neck and neck. I'm feeling quite full, rectum-wise but I'm determined not to crack first.

"It's quite a messy process, what with melting and seepage and so on, but that's always going to happen if you decide to put two dozen chocolates up your nipsy."

Harry said: "It's truly remarkable and brought us even closer together as a couple."

Dreaming of a white only Christmas

A TOY company that thought it was being oh-so-PC by adding two same-sex couples to one of its family doll ranges has come a cropper…

By not including ethnic minorities.

Kmart Australia added the gay doll ranges, but identity-politics loons have found something to whinge about – and criticised the company for creating exclusively white dolls.

The family sets now come in three variations, including either two fathers, two mothers, or a mother and father.

Initially, the retail giant was widely praised on Twitter for its representation of the LGBT+ community.

"Now that's how you do it," tweeted one.

However, many were disappointed that all of the dolls included in the new sets were white.

"Selling white people only same-sex family doll sets," bellyached one user on Twitter.

"No one of colour exists as a family according to Kmart," tromboned another.

A Kmart source said: "For the love of F**K! There's always some bastard who wants to complain."

Pub flasher's compo order

A MAN who exposed himself to a pub barmaid has been ordered to pay the woman compensation.

Finlay MacDonald, 23, unfastened his trousers and exposed his genitals after refusing to leave the pub in August this year.

MacDonald acted in a disorderly manner and refused to leave the premises when asked to do so by staff member Carol Ann Widdowson.

He then dropped his trousers in the Golfers Rest pub in North Berwick, East Lothian, so Ms Widdowson would see his genitals while also handling them during the disturbing incident.

MacDonald denied the allegations at Edinburgh Sheriff Court but was found guilty.

He was fined £100 for behaving in a disorderly manner and told him he must pay Ms Widdowson £400 in compensation.

IT'S a well-known fact women enjoy Christmas more than men.

Maybe it's because their brains are just that tiny bit smaller – so bright lights, sparkly things and the promise of treats gets them over-excited.

Teacher's sex with two teens

A TEACHER admitted "repeatedly" having sex with two teen students.

English teacher and cheerleader coach Brandy Foreman, 29, romped with the boys aged 16 and 18 on "several" occasions – and swapped nude snaps with the older youth.

She was arrested on December 5 following a tipster's phone call.

Police interviewed the two boys who confirmed they had sex with her multiple times between December 2017 and this summer.

The older victim said his relationship began when they exchanged messages and nude photos on Snapchat.

Foreman, a teacher at Central Public School in Sallisaw, Oklahoma, admitted to three sexual encounters with the 18-year-old.

And admitted she had sex with the younger of the pair "six or seven times", shortly after he had turned 16.

One teen said he once sneaked into her home to have sex, and the other said she handed him condoms from a box she kept in her car.

She is pleading not guilty to four counts of sexual battery and has been released after posting a £16,000 bail.

Pet dogs are good for mental health

HAVING a pet dog as a child could cut your risk of going bonkers, a study has suggested.

Researchers found adults who owned a dog before they were 13 were 24% less likely to have the mental health disorder schizophrenia.

Scientists believe humans may catch bugs from dogs which bolster their immune system and gut bacteria.

And playing with them also reduces stress.

Both factors are thought to play a role in the development of schizophrenia – but there is no clear cause.

But the study of 1,300 adults, carried out by Johns Hopkins Children's Centre in Baltimore, found having a pet cat as a child offered little benefit, and may even have the opposite effect.

COVER-UP: Star Ruth argued over scenes like these

ROWS over numerous 'gratuitous' nude scenes led to Ruth Wilson's abrupt exit from Sky's hit drama *The Affair*, it has emerged, over a year after the actress quit the steamy series.

While her departure was initially blamed on a lack of pay parity, the English actress in fact left amid disagreements over the frequency she was expected to strip off, according to reports.

The Golden Globe-winning actress reportedly refused to perform one shocking aggressive sex scene, where her character was forced up against a tree at a yoga retreat after saying it was 'rapey'– and a body-double had to be called in.

On set she also allegedly complained about the disparity between how often male and female characters were expected to be naked, saying 'why do you need to see me and not more of him?'

While performing sex scenes, insiders have also alleged there were 'people there who didn't need to be' and that monitors were 'in plain view' during the performance.

Wilson and show creator Sarah Treem were reportedly at odds over the show's nudity as well as the direction of the actress' character.

However, when Wilson expressed her concerns, it's been claimed she was ignored and labelled 'difficult'.

Treem is said to have told Wilson 'everyone is waiting for you' and 'you look beautiful' in an attempt to get them on set while naked.

She said eating turkey is one of the most carbon intensive farming practices.

Julie, who says she scrapes by on a trust fund, says if everyone swaps turkey for cats we can put off the end of the world for at least three months.

She explained: "I can't believe I'm even being asked about this. Although it doesn't surprise me from the Illuminati-owned press.

"Don't get me wrong, I love cats but that is the sacrifice I am willing to make to save the planet.

"Cat's are a carbon neutral food so they won't destroy the planet like turkeys. In my mind Bernard Matthews is worse than Pol Pot.

"Eating them could postpone enviromental global catastrophe by up to three months.

"I'd reccomend eating these horrible sphinx cats like the one I'm holding here. They come oven ready."

Julie did admit to once "eating monkey brains in the Middle East – but that was when I was on my gap year".

We've forwarded our dossier of evidence to the Cat Protection Society, but one of Julie's neighbours said: "Eat cats? I've got seven, which explains why I haven't got a husband to feed."

‘Come Dine With Me’ sex on sofa scene row

A CREW member from a hit family-friendly cooking show has been accused of filming unaware contestants while they had sex on a sofa.

The male and female contestants, who were living in a house as part of the filming for an upcoming season of *My Kitchen Rules: The Rivals*, were engaged in a consensual sex act when they realised they were being filmed.

The show is similar in format to *Come Dine With Me* and is filmed in contestants’ homes.

The report alleged the member of staff promised to delete the footage, but months later it was viewed by an unknown number of post production staff at Channel 7’s studios in Eveleigh, in inner-city Sydney, Australia.

Channel 7 responded to the claims with a spokesperson saying: “My Kitchen Rules: The Rivals is a family friendly cooking show broadcast in prime time.

“All filming was done in accordance with contestant contracts.”

The source said it was “super normal” for footage of that kind to be viewed by post production, calling a leak to the public “unfortunate”.

Police say Murray was seen crouching next to a Honda CRV in the parking lot of a Cinemark movie theatre in Davie, Florida, where he used his mobile phone to watch a couple inside shagging.

Eventually, the lovers were startled and fled.

Murray was later seen in a Walmart parking lot, crouching behind a Mazda and peering in on two teenagers having oral sex while he was furiously masturbating.

He later denied his involvement and said he was just playing Scrabble on his phone.

HAPPY PISS-MAS!

Babes go wild on Mad Friday

THE Christmas party season was in full swing across Britain at the weekend.

Tens of thousands of revellers swamped pubs and clubs in towns and cities across the country as they celebrated the end of the working year – and fired the starting pistol on the festive period.

As the wine, beer and spirits flowed partygoers, many in fancy dress, danced and drank the night away with friends and colleagues before spilling out into the streets of London, Birmingham and Leeds.

By STEPH DILLON
simon@sundaysport.co.uk

But a sizeable minority had one too many drinks with people seen vomiting, urinating in doorways, fighting each other or needing medical help.

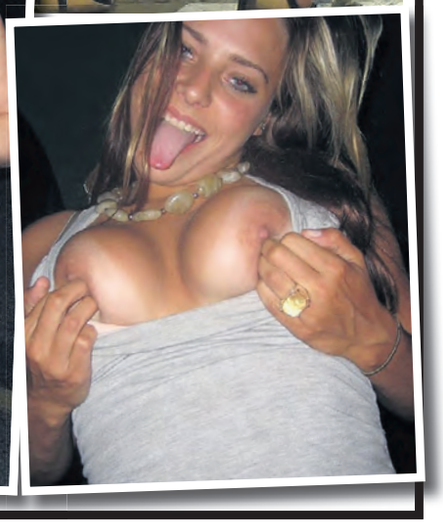
The last Friday before Christmas, is dubbed “Mad Friday” by some while others call it “black eye Friday” because the excessive boozing can sometimes lead to punch-ups and arrests.

And these photos show that once the booze has been gulped, the rule book goes out of the window…

WET WEEKEND: This lady either sat in a puddle or got too excited!

She’s peed her pants?!

DARING TO BARE: Check out these cheeky girls on nights out all over Britain



Thanks Jamie Oliver ...my baby's first word was C**T!

JAMIE FAN: Mum Phoebe with daughter Esme

CELEB CHEF: Jamie Oliver

PRETTY Princess Kate thrilled the nation earlier this month when she revealed that Prince George's first word was "Mary" – a reflection of the Cambridge family's love of all things to do with *Bake Off*.

And Phoebe Marshall can tell a similar – if rather less wholesome tale…

For her 14-month old daughter Esme has just uttered her first word, too.

But former *Great British Bake Off* host Mary was not the inspiration for Esme's first word – fellow celebrity cook Jamie Oliver was.

So, naturally, Esme's first word was: "C**T"!

Phoebe, 25, of Eccles, Gtr Manchester, said: "I really like Jamie Oliver but Esme's dad Lee hates him and whenever Jamie Oliver's on the telly he says things like, 'What's that fat-tongued Mockney wanker doing on the telly again?'

"Or he says, 'F**k, look at that c**t' or 'I see that c**t's restaurant chain has gone bust. What a c**t!'

"I've said to our Lee, 'Stop saying that word because the f**king baby will start copying you. But he just says, 'F**k off'.

"Anyway, I was right. Jamie Oliver comes on the telly and Esme looks at me, points at the TV and says, 'C**T'.

"I was dead ashamed because Lee's mum was there and she's a right stuck-up c**t.

"When people ask me is she's talking yet, and what her first word was, and I tell them, 'c**t', most people think it's dead funny but some say I should get compo off Jamie Oliver because it's his fault in the first place for being a c**t."

Food boffins give green light to the Brit banger

BRITISH bangers have been given the thumbs up from food boffins – just in time for Xmas pigs-in-blankets season.

In 2015 the World Health Organisation classified all processed meat as a carcinogen – including bacon, sausages and ham as well as continental European products like prosciutto and salami.

But later studies found processed meat containing sodium nitrite – a preservative used to extend shelf life and enhance colour – raised a risk of cancer.

British and Irish sausages are not processed with nitrites even though many of the European and US sausage equivalents are, like frankfurters, pepperoni and chorizo.

Co-author Professor Elliott, who carried out the UK Government's inquiry into food safety after the horsemeat scandal, said the study brought more clarity to what has been a confusing area for the food industry and the general public.

He said: "Because there have been conflicting claims in the scientific community and the media about which types of meat may be carcinogenic, this study could not have come at a better time."

White women love sex toys

WHITE people in their 30s are the most likely to buy vibrators, and women in relationships are more likely to use them than single ladies, according to an end-of-year poll.

A spokesman for sex toy retailer Adam & Eve, who carried out the survey, said: "Adult toys have become so acceptable in mainstream society, and we are excited to play a role in making them fun and accessible to adults everywhere."

The first notable statistic is that just over half of Americans say they own a sex toy.

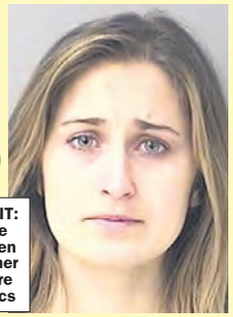
It's possible stigma may still cause some underreporting, but sex toys are inarguably no longer as taboo as they once were.

The report also showed females in the US are 13% more likely than males to admit to owning a sex toy, and that "vibrator clients were overwhelmingly caucasian."

BEAUTY QUEEN SEXTED LAD, 15

WINNING MISS: Bearse crowned Miss Kentucky

By BARNEY SAMUELS
news@sundaysport.com



EXPLICIT: Bearse said teen asked her for more rude pics

A FORMER beauty queen who worked as a teacher has admitted exchanging filthy sex photos with a 15-year-old student.

Ramsey BethAnn Bearse, 29, pleaded guilty last week to one count of possessing material depicting minors in sexually explicit conduct.

She told a court that she made a mistake when talking with the teen on Snapchat last year.

Police say she and the student exchanged photos between August and October 2018.

One of the student's parents then found lewd photos of Bearse on the lad's phone and she was arrested in December last year.

Bearse, who was crowned Miss Kentucky in 2014 under her maiden name of Carpenter, meant to send a risqué photo to her husband, but accidentally sent it to the teen, she told the court.

She claimed the student asked for additional photos and so she continued to send them because "I was afraid to not appease him".

Bearse added: "Since I am the adult, and he was just a teenager, it is my fault, and I accept full blame for the situation. So that's how I'm guilty of this crime. I messed up big-time."

Bearse impressed the Miss Kentucky judges in 2014 by playing bluegrass music on her fiddle.

After the win, she went on to act as a spokeswoman for the National Multiple Sclerosis Society and featured in interviews to talk about being diagnosed with the disease.

Bearse worked as a science teacher at Andrew Jackson Middle School in Cross Lanes, West Virginia.

She had been charged with four counts of distribution or display of obscene matter to minors and faces up to two years in prison when sentenced in January.

VERY BAD SANTAS!

Red-suit psychos who ruined Christmas

HO, NO, NO! Even in the season of goodwill, Americans can't resist going psycho and killing each other.

And instead of bringing gifts down the chimney, nutters dressed as Santa bring havoc through the front door. Our crime investigation department has trawled through the police files to collect some un-seasonally horrific tales of murder and mayhem perpetrated by people who definitely weren't full of Christmas spirit.

A rampaging Santa armed with a flamethrower

MASSACRE: Bruce Pardo

BRUCE Pardo, 45, killed nine people – including his ex-wife – after going on the rampage dressed as Santa Claus with four handguns and a flamethrower at a Christmas Eve party.

He arrived at the bash with a gift-wrapped package containing a homemade flamethrower on a trolley and two 9mm semi-automatic handguns – he also had two additional 9mm semi-automatic handguns in his possession.

A recording of a woman caught in the conflict in Covina – a city in the suburbs of Los Angeles, California – who called cops, revealed her shouting: "He's shooting my whole family… my mum's house is on fire!

"We need someone immediately . . . my daughter's been shot…in the face!"

Former aerospace engineer Pardo had recently gone through a bitter divorce with ex-wife Sylvia, 43, who died alongside her parents and three of her four siblings.

After the shootings, Pardo unwrapped the package with the homemade flamethrower, and used it to spray racing fuel gasoline to set the home ablaze.

He later shot himself dead.

Seven killed by their dad in a Santa suit

IN 2011 Aziz Yazdanpanah killed seven members of his own family while dressed in a Santa suit.

He shot them all dead – including his wife and kids – just after they had opened their presents, and then turned the gun on himself.

Just hours earlier the family had held a Christmas Eve party at their ranch.

They were gunned down in an apartment in Grapevine in Dallas.

It is believed Yazdanpanah turned up at the apartment in the morning because he hadn't been invited to the party, after separating from his wife Nasrin Rahmaty in March that year.

He murdered Nasrin, 55, and his two teenage children.

Before turning the gun on himself he killed the family of his sister-in-law.

He gunned down Zohreh Rahmaty, 58, and her husband, Hossein Zarei, 59. He also shot their 22-year-old daughter Sahra Zarei.

KILLER: Aziz Yazdanpanah and (*left*) wife and kids

Axe attack – then off to eat turkey with the kids

ENRAGED by an argument with his wife, Justin Lee Klopp hacked her to death on Christmas Day – hitting her repeatedly in the head with an axe and cutting her throat with the chopper.

Klopp had been married to Stephanie Kilhefner, 34, for three years when he turned to murder.

And after the brutal slaughter he wrapped her body in a bag, put it in an outbuilding and then took their two children to his parents' house to celebrate Christmas.

The kids, aged five and two, were marking the holiday with his mum and dad when he phoned police to confess to the killing.

He later hanged himself in prison.

Mass murder over presents…and debt

GUNS NOT GIFTS: Michele (*right*) and Joseph

WHEN Michele Andersen and her boyfriend went to visit her parents on Christmas Day, they took handguns instead of gifts.

Wayne and Judy had a home in rural Carnation, Washington.

It was a house they'd lived in for more than 30 years. Wayne, 60, was an engineer at Boeing and Judy, 61, worked at the local post office.

They were devoted to their family and the community.

Their daughter Michele, 29, lived in a caravan on the grounds of the family home with boyfriend Joseph McEnroe, also 29.

On Christmas Eve, 2007, Wayne and Judy invited them over for a family meal. Their son Scott, 32, his wife Erica, 32, and their children, Olivia, five, and Nathan, three, were coming, too.

Michele was angry at being asked by her parents to pay rent, and that her brother had not repaid money he owed her. Her fury boiled over, and when they arrived at their home at 4pm Michele and Joseph shot her parents.

And when Erica and Scott arrived the slaughter continued – despite Erica's pleas to save the kids.

The six bodies were found on Boxing Day.

Stepmum death charge after 20 years

A MAN has been arrested for taking part in the 1998 murder of his father's wife – 20 years after her boyfriend was wrongly convicted of the crime.

Googie Rene Harris Jr, 40, was arrested on one count of murder for his role in the killing of Terry Cheek after his DNA was discovered on a watch found near the victim's body.

Harris' father and nephew were arrested in 2018 after fresh DNA evidence was found that also linked them to the crime.

The younger Harris' DNA was only recently discovered on the watch.

California cops say the elder Harris recruited his son and nephew to murder Cheek in a plot to framed her boyfriend, Horace Roberts.

Roberts wrongfully spent 20 years in prison for the murder of Cheek, who was 32 when she died.

A spokesman said: "It's the oldest story there is in the murder business. Husband kills wife who is cheating on him.

"The twist in this case is the husband then set up the lover to go to prison for the rest of his life."

Santa hat perv met by cops instead of girl

A PERVERT wearing a Santa hat thought he was meeting a 14-year-old girl for sex – but instead he was greeted by cops.

Jimmy Lee Bowling, 68, was arrested and charged with attempted child molestation, pandering, sexual exploitation of a child and obscene internet contact with a minor.

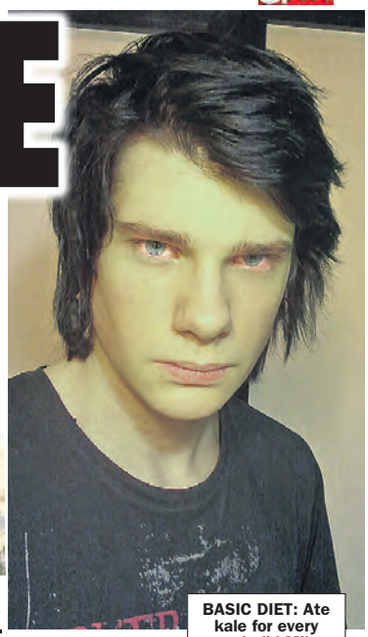
According to Cherokee County Sheriff Capt. Jay Baker, Bowling arrived in the county expecting to meet a 14-year-old girl he was "speaking" to on the internet.

Instead, the Sheriff's Office Internet Crimes Against Children unit was waiting for him.

Baker said Bowling, from Ellijay, Georgia, was arrested without incident.

EATING KALE TURNED ME INTO YODA!

LOOKALIKE: Jedi master



BASIC DIET: Ate kale for every meal, did Mike

Going vegan left Mike looking like Star Wars character

WHEN Mike Morgan decided to give up meat and dairy to save the world he thought he'd be making himself healthier, too.

But sadly the barista from Bristol discovered he didn't really like any vegetables or any of the fancy meat replacement foods.

So he was left starving until he tried healthy superfood kale – and realised he LOVED it.

For the next six months he ate the leafy veg for every meal until his SKIN turned green and he ended up looking like Yoda from *Star Wars*.

The 24-year-old said: "I'm very keen on saving the planet and have even got a Greta Thunberg tattoo on my back to prove just how committed I am.

By GARY DORAN
gary@sundaysport.co.uk

"So I decided the best thing to do would be to go vegan, which would really reduce my carbon footprint and set a good example for my social media followers.

Vomit

"The only problem was I really don't like vegetables at all.

"Carrots make me vomit and peas make my skin crawl.

"I tried one of the Greggs vegan sausage rolls but it gave me indigestion and all the meat replacement foods are proper creepy.

"Someone suggested I try kale – and I loved it. It was like a taste party in my mouth.

"I thought I had this vegan thing sorted and ate it for every meal, breakfast, lunch and supper.

"My followers loved all the kale recipes I was putting on my Insta.

"Then one morning, I woke up and my skin was green. I looked like Yoda from *Star Wars*!

"I went straight to the doctors and he warned me that I had to stop eating just kale, as the chlorophyll was passing into my skin.

"But that would mean stopping being vegan and if I do that I'm basically murdering kids, so I can't do it.

"I'm just going to have to stay green."

Up, up & wahey!

2019 the best year ever for sex

FORTY-FOUR per cent of people have rated 2019 as their best year EVER for sex, according to new research.

The poll of 2,000 sexually-active Americans also discovered nearly half (47 per cent) say their sex life was better in 2019 than in 2018.

It was a year for experimenting, as one in six Yanks tried phone sex for the very first time, and a further 29 per cent tried using a sex toy for the first time in their lives.

Commissioned by sexual health website Pure Romance and conducted by OnePoll, the "sexrospective" explored various aspects of respondents' 2019 sex lives.

Results found that from having anal sex for the very first time, using handcuffs and blindfolds or having a sexy photoshoot, 38 per cent of those surveyed became more adventurous with sex in 2019.

Who will help the poor nuts of Twitter?

ONE lesson we can learn from this year is to think a little more and take notice of social media a little less.

Because one thing we've learned from 2019 is that social media – as well as being quite handy to track down that bird you fingered back in high school – is mainly peopled by nutters.

Worst of all is Twitter.

For reporters, it's a blessing. It used to take ages phoning round everyone in your contacts book to find the someone to express a suitably outlandish opinion to back up the story you're writing.

Now it takes mere seconds in the online cesspit of Twitter to find anyone spouting any ridiculous point of view you dare to imagine.

But what we've forgotten is that Twitter is NOT the real world.

People who spend too long on Twitter become like people who live in swamps – the noxious atmosphere sends them a bit loopy.

Just look at what was "trending" at number one on Twitter last week – *#CorbynWasRight*.

That means the number one opinion – on Twitter at least – was that the man who led the Labour Party to its worst defeat since 1935 was, in fact, right.

Wrong

There's a word for people who believe that they are right and everyone else in the world is wrong: nutters.

I hate to agree with breakfast rabble-rouser Piers Morgan but he was right when he commented – on Twitter, ironically – "So *#CorbynWasRight* is Britain's current No1 trend. Good old Twitter, always 100% wrong about absolutely everything."

Under the loony hashtag, Corbyn's fans were positing utter bollocks.

One wrote: "When this is all a messy memory, history will remember *#CorbynWasRight*."

Another said: "*#CorbynWasRight* when he said the Tories are pursuing the entire privatisation of our NHS, he was right when he said there's widespread grotesque levels of Poverty & Homelessness in Britain, he's been right about everything he's ever said! Tories, MSM, Press & Blairites to blame!'

These people are allowed to walk among us. They are allowed to teach our kids. They're allowed to own bladed articles.

In the Queen's Speech, Boris committed himself to reform of the Mental Health Act.

Let's hope, for all our sakes, that something can be done about these poor, deluded Twitter-maniacs.

We bought our daughter this newt last Christmas...

THE GIFT THAT KEEPS ON GROWING: Anna with prized pet, Henry

NATURE-LOVING Anna Hunt wanted just one gift last Christmas – a great crested newt for her amphibian tank.

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

But dad Ian struggled to find one in any of the pet shops in a 50-mile radius of their home.

So he did what any loving father would – he turned to the dark web to get one on the black market.

Builder Ian, 41, said: "Our Anna was desperate for a great crested newt. God knows why, but that's what she wanted.

"I tried everywhere and couldn't get one.

"It turns out they're a protected species so I had to go on the dark web and get one from a specialist dealer.

"The ruddy thing cost me £800 but it was well worth it, to see her face on Christmas Day."

However, within six months the family knew something wasn't quite right...

Ian from Cheltenham, Essex, said: "It kept growing and growing. Newts should only be about six inches long but this one was nearly 3ft.

"And it had massive, sharp teeth.

"I looked the thing up online and saw that we might actually have a crocodile, not a newt."

Ian said he decided to "deal with" it by hitting it with a cricket bat, but Anna, nine, started screaming.

Ian added: "I tried to tell her it's a deadly predator that could rip her limbs off when it grows up.

"But she's called the thing Henry and takes it to bed at night. In the end I couldn't kill it.

"So we're keeping it and now it lives in the bath.

"Luckily at home we have a separate shower, but the wife's not happy.

"She likes a bubble bath but had to stop them.

"When she last tried one Henry didn't like it and went to bite her.

"So the bath's his and I guess Henry is part of the family now."

MODEL DEBUT

STUNNING Rebbeca Derbyshire reckons she has what it takes to make it as a model.

The 22-year-old from Bolton, Lancs, has just graduated with a degree in tourism but wants to have a go at being a glamour model before she commits to her future career.

The 32D babe said: "Everyone has always said I've got the looks to be a model but I used to be shy about my body.

"Now I am much more confident and happy to get my boobs out.

"Hopefully, this pic in *Sunday Sport* will be my big break!"

GAY FLAG ARSONIST JAILED FOR 15 YEARS

A MAN has been sentenced to more than 15 years in prison for burning an LGBTQ flag that was flying outside a church.

Adolfo Martinez, 30, was banged up for the hate crime of arson, as well as a year for the reckless use of explosives or fire, and 30 days for harassment.

The sentences are to be served consecutively.

A jury convicted Martinez last month after he was arrested in June.

Martinez said he tore down the flag that had been hanging from the United Church of Christ in Ames, Iowa, and burned it because he opposes homosexuality.

10 things you might not know about CHRISTMAS

THERE'S no getting away from it. Now that the election's over, Christmas has hit us with the force of a fully-laden sleigh.

Love it or hate it, you've just got to hate Christmas – with its forced bonhomie, disruption and expense.

But whether you're a Scrooge or not, what do you know about the "most wonderful time of the year"?

Here are a few facts…

1 **CHRISTMAS is a contraction of *Christ's Mass*, which is derived from the Middle English *Cristemasse*, which in turn comes from the Old English *Cristesmæsse*, a phrase first recorded in 1038.**

2 THE first commercial Christmas cards were commissioned by civil servant Sir Henry Cole in London in 1843. Featuring a family drinking wine, one sold for £8,469 in 2014.

3 **ROBINS on cards started as a joke 150 years ago when postmen wore red tunics and were named after them.**

4 IT'S technically illegal to eat mince pies on Christmas Day in England. In the 17th century, Oliver Cromwell banned Christmas pudding, mince pies and anything to do with gluttony. The law's never been rescinded.

5 **MISTLETOE (*viscum album*) is from the Anglo-Saxon word *misteltan*, which means "little dung twig" because the plant spreads through bird droppings.**

6 THE word "Carol" actually means dance or song of praise and joy, and they used to be sung during all four seasons, but the tradition of singing them only at Christmas is the only one to survive.

7 **SCIENTISTS calculate that Santa would have to visit 822 homes a second to deliver all the world's presents on Christmas Eve, travelling at 2,340,000mph.**

8 THE chances of a White Christmas are just 1 in 10 for England and Wales, and 1 in 6 for Scotland and Northern Ireland.

9 **UK kids will receive an average of 16 presents each.**

10 THE abbreviation Xmas is NOT irreligious. The letter X is a Greek abbreviation for Christ.

My New Year's resolution is to stop shagging strangers

GAGGING FOR IT: Olivia

DESPITE her tender age of just 24, Olivia Bradley has had sex with more than 100 men – the vast majority of whom were complete strangers.

The university graduate is a self-confessed sex addict who will drop her knickers at the drop of a hat, and just can't say no.

By JAYNE FERGUSON news@sundaysport.co.uk

She told *Sunday Sport*: "I had my first sexual encounter quite late, when was 17.

"Many people say their first time was awful, but I loved mine!

"It was a one-night stand with a guy a few years older than me and he shagged the living daylights out of me FIVE TIMES in his mate's spare room.

"It might sound a little bit seedy, but that orgasmic night changed my life forever.

"My love of the cock and spunk was truly awakened."

Olivia – who has a degree in business from Liverpool uni – has kept a diary of her sexploits which she hopes to publish as a book.

The stunna added: "I have a few publishers interested. It's my journey from sucking and f**king every cock put in front of me to hopefully beating my sex addiction in 2020.

"My diary – and therefore the book – is full of filthy confessions and I think it will really appeal to almost all red-blooded blokes.

"When I was at uni, I shagged four guys in the same night – two of them together.

"In the morning I woke up and went into the kitchen of my halls where all my friends were having breakfast and they pointed out my hair and face were still covered in spunk!

Knickers

"There was another time, aged 19, when I was being spit-roasted by two guys in a disabled loo and the door swung open and everyone saw.

"I had my dress and knickers round my ankles and everyone saw my tits and little bush.

"It was SO embarrassing."

She continued: "My book has the working title of *Addicted to Lovers* and I think *Sunday Sport* readers will love it. Please look out for it on Amazon in spring next year.

"If I can achieve my New Year's resolution of not banging any more strangers, I think my journey will be a great read and might help other people in my situation.

"All I need is a proper full-time guy who can enjoy my pussy. In return I'll become a one-cock girl and he'll never need to wank again!"

HE TRIED TO GAS ME... BUT I STILL LOVE HIM

By BRAD CHADWICK news@sundaysport.co.uk

A WOMAN plans to reunite with her husband – after he tried to GAS her to death.

At Peter Faigan's sentencing, Elizabeth Faigan, 45, said: "I am not afraid of him and I never have been."

She added: "I think there is a good chance that Peter and I will get back together."

A court heard she spent months thinking over the June 6 incident, when Peter fed a hose into the bedroom of her home in New Plymouth, New Zealand, where she and Keith Chisnall were sleeping.

Attached to the hose was a gas bottle which Peter, 59, turned on before walking away, leaving its contents to spill into the tiny downstairs room of the building.

Hours later, Elizabeth woke to the stench of gas and to a hissing sound.

She alerted Keith and the pair escaped.

Peter, who lived in the building's upstairs flat, was seen watching on from his window as emergency services arrived.

He admitted two charges of attempted poisoning, for which Justice Peter Churchman sentenced him to 11 months' home detention at a hearing last week.

Prior to the gassing, Elizabeth said never in their 11-year marriage had Peter tried to harm her.

At the time, his mental health was rapidly deteriorating, and he was suffering physical, psychological and cognitive issues following two strokes.

Men: We're best liars

MEN are twice as likely as women to consider themselves to be good at lying and at getting away with it, a top boffin has found.

The University of Portsmouth's Dr Brianna Verigin also says expert liars prefer to lie face-to-face, rather than via social media.

Dr Verigin said: "We found a significant link between expertise at lying and gender. Men were more than twice as likely to consider themselves expert liars who got away with it. Prolific liars rely a great deal on being good with words, weaving their lies into truths."

Nude pics shown on school bus

A SCHOOL bus helper showed photos of naked men's COCKS to young female students during a bus ride home.

Jessica Anne Wylie, 35, is charged with distributing obscene material to a minor.

Cops say an 11-year-old girl told her parents the bus driver's aide sat next to her and another girl that day on a bus.

The girl said Wylie showed them photos on her phone of naked men and male body parts. She also claimed to be a millionaire, own several homes and work at a movie theatre.

Wylie told the girls not to tell anyone about the photos she showed them or she would get in trouble, according to her arrest report.

Surveillance video from the bus and interviews with other children on the bus backed up the 11-year-old's account of what happened.

A warrant was issued for Wylie's arrest and she was taken into jail in Navarre, Florida.

Juror phone porn halts murder trial

THE murder trial of a cop accused of shooting dead his son-in-law was halted – after a juror was caught looking at PORN on his phone in court!

The judge halted the trial of Carlton Nebergall Jr. after defence attorney Michael Salnick asked for a mistrial, saying the same juror had already been told off for sleeping during testimony.

Salnick said the juror watching grumble on his phone "so absolutely subverted justice there was no way I could go further."

Nebergall, 63, is charged with murder for shooting his son-in-law, Jacob Lodge, in the driveway of Nebergall's home in Palm Beach, Florida.

Prosecutors say he hated Lodge and had come out of his home with a handgun.

Nebergall testified during the six-day trial that he shot Lodge in self-defence, believing Lodge was holding a gun.

XMAS SPREAD-SHIT!

Phil has weighed & recorded EVERY FESTIVE DUMP since 1982

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

WHEN it comes to Christmas poos Phil Jacobson really knows his shit!

Because surveyor Phil, 56, from Horsham, West Sussex, has recorded the weight, colour and texture of all his festive dumps since 1982.

And he has collated the data into a meticulously compiled Excel spreadsheet which he plans to make available to researchers following his death.

Phil started keeping records after noticing the size of his post-Christmas meal turd when he was 18.

Gorged

He said: "I'd gorged on turkey and all the trimmings and after *The Last of the Summer Wine* realised I needed to relive myself.

"So, I headed to the bog with my *Dandy* annual and curled one off. It felt like giving birth so I turned around to have a look and couldn't believe what I saw.

"It was so big, more than half of it was out of the water.

"I was desperate to weigh it but didn't want to fish it out with my hands, so I broke it up a toothbrush and flushed it away.

"But I will never forgot that turd and the next year I made plans. I covered the bathroom scales in clingfilm and when I felt the urge during *Only Fools and Horses* I got excited.

"I headed to the loo and dropped my load onto the scales and used a diary I had bought especially to record the weight, texture and colour.

"I did it again every year, and when I got my first computer in 1998 I transferred the data and a backed it up on a floppy disc. Now it's all on Excel and in the Cloud.

"It's amazing to see the difference over the years. Some weigh as much as four pounds, some less than one. Some are brown, some are yellow – and on one memorable day in 1993 it was green!"

Phil is determined to keep on with his records and says when he dies he will make all the data available to researchers.

He said: "I like to think that when I die the people of the future will be able to know what Christmas shits were like in the past."

They're just peachy!

POST: Zoe

ACTRESS Zoe Kravitz celebrated Donald Trump's impeachment in the US by posting a nude photo of herself biting seductively into a PEACH.

And she captioned the post: "Eat that, 45," as she made a reference to the impeachment of the 45th Yank president.

With her long black hair flowing down her back, the *Big Little Lies* star showed off her mural of minimalist-style tattoos and tastefully covered her busters with her hands and arms as she chomped down on the fruit.

PRESIDENT: Trump

She appeared to be relatively makeup-free and positioned her hands across her chest to give off a bit of modesty.

Meanwhile, *Once Upon a Time in Hollywood* babe Dakota Fanning also joined in the peach meme.

In her saucy post, the 25-year-old actress was pictured from the back.

She was completely naked – providing her followers with a full view of her shapely back.

Dakota used a giant peach emoji to censor the lower half of her snapshot, ensuring that she didn't reveal – sadly – too much to the camera.

CHEEKY: Dakota

Cop forced teens to run in the nude

A COP is heading to prison for threatening to arrest two teens if they didn't strip and run naked.

Michael Martinez (*right*) was sentenced to 10 years behind bars after being found guilty of extortion.

Authorities say the 30-year-old pulled the young couple over after they ran a stop sign in 2016 and he found a small amount of alcohol and marijuana in the car.

Prosecutors say he told the teens to follow him down an isolated road in the Florida Everglades, where he ordered them to either take their clothes off and run, or go to jail.

The teens testified they felt intimidated and had no choice but to obey.

A police source said: "Not only was this an egregious abuse of police powers, those poor people could have been eaten alive by crocodiles – or at the very least swamp flies. Yessir!"

A Christmas gift from SUNDAY Sport

BEST BOOBS IN THE WORLD EVER!

Alice Goodwin
Age 35, 32G, from Chester

THIS is it folks, what the world has been waiting for!

The definitive collection of the best boobs in the world ever!

Our research team has sifted through the vast Sunday Sport picture library to bring you the finest breasts on the planet.

It has taken weeks of painstaking work and we think you'll agree it's been worth it.

Because over the next EIGHT pages you'll see the BEST CHESTS in the world EVER!

From massive swinging norks to smaller but perfectly formed pert pairs, we've got every base covered.

Merry Xmas, readers, and all the BREAST!

KELLY BROOK

8 PAGE SPECIAL

FROM teenage TV sensation and actress to model and gardening expert, 36E Kelly may have been a chameleon in the job market but one thing has remained constant – her amazing rack!

Kelly, 40, from Rochester, Kent, made a huge impact when she began her career as a presenter on C4's *The Big Breakfast*.

SHANNON ELIZABETH

THESE days setting up a hidden camera to record a foreign exchange student masturbating in your bedroom is frowned upon.

But back in 1999 when *American Pie* came out it was good for a laugh and meant we got to see amazing Shannon, now 46, bare her world-conquering boobs.

One of the biggest movie events in cinema history.

ROXANNE PALLETT

SHE may be madder than a box of one-eyed frogs but there's no denying former *Emmerdale* babe Roxanne, 36, has a cracking pair of pert puppies – and the *Celebrity Big Brother* stunna kindly got 'em out in the 2010 horror flick *Lake Placid 3*.

HEATHER GRAHAM

THE 1997 flick *Boogie Nights* was packed with bare boobs and bushes – so it takes something special to stand out.

And Heather Graham, now 49, did just that thanks to her ridiculously pert puppies.

Cara Rose
Age 26, 32G, from Birmingham

BEST BOOBS IN THE WORLD EVER!

Tessa Fowler
Age 27, 34F, from Leicester

KRISTEN STEWART

SHE rose to fame in lame teen romance horror *Twilight* but the 29-year-old has been a keen advocate of boobs-out film roles ever since.

And no wonder, because while they may only be small her busters really are perfectly formed!

Here she is topless in 2016 flick Personal Shopper.

NATHALIE EMMANUEL

FROM the dizzy soap heights of *Hollyoaks* to the world's biggest TV show *Game of Thrones*, Nathalie has really made the big time.

And it's all thanks to her acting prowess – and the 30-year-old's awesome breasts!

EVA GREEN

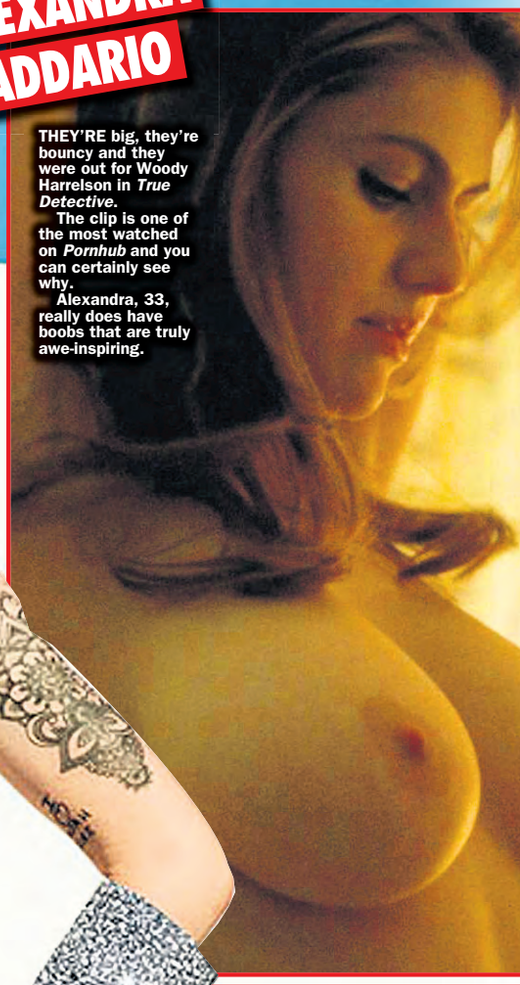
STUNNING Eva made her naked debut in her third film *The Dreamers* in 2003.

And who can blame her?

The red-hot 39-year-old boasts some of the best boobs that Hollywood has ever seen!

BEST BOOBS IN THE WORLD EVER!

ALEXANDRA DADDARIO



THEY'RE big, they're bouncy and they were out for Woody Harrelson in *True Detective*.

The clip is one of the most watched on *Pornhub* and you can certainly see why.

Alexandra, 33, really does have boobs that are truly awe-inspiring.

Jana Defi

Age 33, 32G, from Brighton

PHOEBE CATES

IRELAND BALDWIN

WITH a mum as hot as Kim Basinger, Ireland Baldwin (Alec's her dad) was always going to be a bit of a looker.

But the 20-year-old model also loves showing off her big busters.

Which is good news for the world because they're something rather special.

LEA SEYDOUX

THE French may stink of onions, be rubbish at beating the Germans at war and go on strike more than we have hot dinners, but they do know how to make a very sexy woman.

And Lea is a prime example.

The 33-year-old showed exactly how hot she is when she starred in horny lesbian flick *Blue is the Warmest Colour*.

THE brunette hottie was one of the fittest actresses of the 1980s.

And this scene, in a world without the internet, from *Fast Times At Ridgemont High* was one of the most paused moments in home video movie history.

You can see why Phoebe, now 56, was just perfect.

KINSEY WOLANSKI

WHAT a way to make an entrance, as Kinsey exploded into world consciousness when she streaked during the Champions League final between Liverpool and Spurs.

And doesn't the 23-year-old have a champion pair on her?!

Kelly Andrews

Age 28, 30GG, from Hoylake, Wirral

BEST BOOBS IN THE WORLD EVER!

JAMIE LEE CURTIS

IN the 1980s even mainstream comedies had boobs-out scenes.
Great days, indeed!
It's also how we got to see Jamie (she's now 61!) bare her immense pair when she played a hooker in *Trading Places*.

ALICE EVE

HER dad Trevor is one of Britain's top actors and Alice, 37, has had success of her own in Hollywood.
She's starred in *Star Trek* and the *Sex in the City* movie – and she's also got a world beating set of knockers on her!

JENNIFER EHLE

CHANNEL 4's *The Camomile Lawn* back in 1992 was packed full of sex and nudity – but none were better than Jennfier – then 23 – as a sex-mad blonde with quite possibly, perfect tits!

MEGHAN FLATHER

SHE'S not done much in her career but Canadian Meghan's role in the 2007 series *War* was pretty memorable enough – thanks mainly to her world-beating busters... corr!

Sophie Reade
Age 29, 30H, from Nantwich, Cheshire

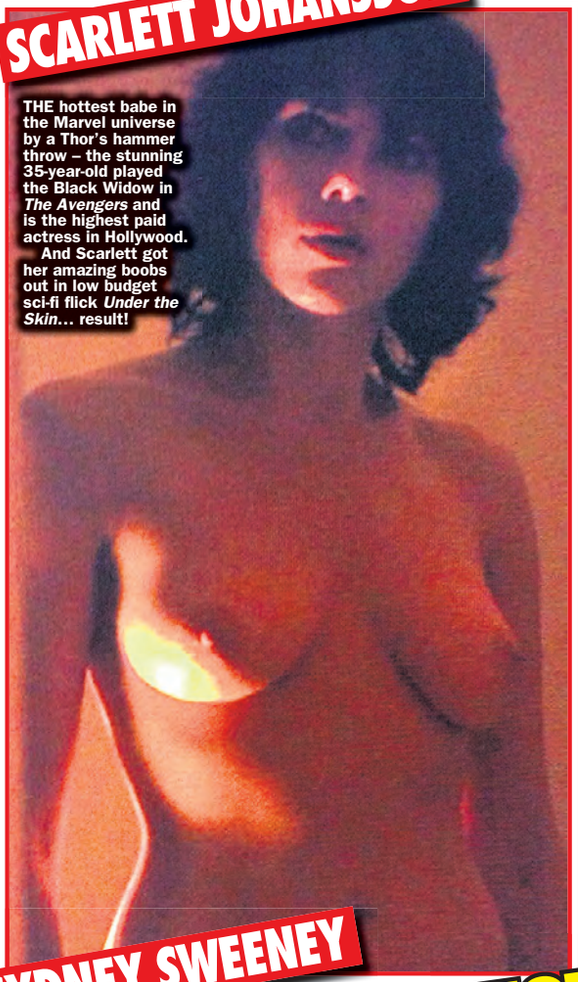
BEST BOOBS IN THE WORLD EVER!

SCARLETT JOHANSSON



THE hottest babe in the Marvel universe by a Thor's hammer throw – the stunning 35-year-old played the Black Widow in *The Avengers* and is the highest paid actress in Hollywood.

And Scarlett got her amazing boobs out in low budget sci-fi flick *Under the Skin*... result!

SALMA HAYEK

THIS Mexican beauty is a one-woman argument against Donald Trump's wall.

The 53-year-old brunette actress is ridiculously fit and her knockers are out of this world.

Thankfully she let us see them in the 2002 flick *Frida*.

SYDNEY SWEENEY

SYDNEY, 22, came to prominence this year thanks to her performance in the hit Netflix series *Euphoria*.

That and the fact she revealed her spectacular breasts on the show.

Look at them – they're amazing!

Melissa Debling

Age 29, 32E, from Ramsgate, Kent

Susie: I want to be the angel on the tree

By WENDY THOMAS
news@sundaysport.co.uk

SUSIE Summers says she LOVES Christmas and when she was little, she wanted to be the fairy on top of the tree.

The 28-year-old, who boasts a pair of 32FFs, said: "I loved the idea that the fairy was at the top of the tree and was centre of all the attention.

"I think that's maybe why I wanted to be a model.

"Of course, I'm probably a bit big to climb on top of the tree now.

"Especially our little tree at home, which is a poxy artificial job!"

SUNDAY Sport SEXY BACK END!

HARK THE HERALD ANGELICA SINGS!

By WENDY THOMAS news@sundaysport.co.uk

MY perfect Christmas would be just me and my fella, opening our presents in front of a roaring fire.

Then alternating between having sex and watching daft films on the telly.

As it is, we'll have to spend it with his f**king awful relatives – especially his lecherous, drunken uncle who spends the entire day just staring at my tits.

I hate almost every second of it – bah, f**king humbug!

LEGENDS OF PORN

THIS WEEK

ELLA KNOX

BUSTY beauty Ella Knox has become a porn legend in no time thanks to her enormous knockers and her willingness to take on lots of dicks at once.

By PENNY MARSHALL
news@sundaysport.co.uk

The 27-year-old 34EE babe first appeared on camera in the 2017 flick *Pervs on Patrol*.

She was an immediate hit with fans loving the way her boobs bounced as she was rogered.

That led to more opportunities including *Teen Pies*, *Big Tit Office Chicks* and *Whorecraft: Big Tits vs Big Swords*.

But it is her work in *Gangbang Creampie: All Naturals* that Ella is most proud of.

She said: "The thing that I remember most about my gangbang scene was all of the guys! I was so excited to finally have all of them to myself LOL!"

And she has some advice for women who want to be better lovers – don't be afraid to ask.

She said: "If you want to be better at head, practice. Don't be afraid to ask what the other person likes, sometimes it's just easier."

YULE LOVE IT: Ella gets a present from lucky fella

ONE-NIGHT STANDS

STEPHANIE: I've had five one-night stands and it's not a number I'm proud of. If you're in that frame of mind then there's no harm in it though.
BECCY: I've never had one before. Is the sex always good?
STEPHANIE: Some are good and some are bad, it depends on how drunk you are.

FAVE SEX POSITION

BECCY: I prefer man on top because I quite like being dominated in the bedroom and that way he's in complete control.
STEPHANIE: Why do you like it like that?
BECCY: I find it a turn-on being dominated! I don't know why, it's just me!
STEPHANIE: I prefer me on top because then I can make sure I get what you want. It stops the guy just coming and leaving you high and dry!

FIRST SHAG

STEPHANIE: I was 16 and it was with my boyfriend at the time. We did it in the woods near my house!
BECCY: What did you think of it?
STEPHANIE: I wasn't impressed at all because it was painful and only lasted a couple of minutes. It was also really cold and wet!
BECCY: I lost my cherry to my boyfriend when we were 16 as well. We did it in my friend's mum's bed during a party!
STEPHANIE: Did you orgasm?
BECCY: No, but it was quite amusing as we were both clueless. I didn't even come close to orgasm!

WORST-EVER SEX

BECCY: I was having sex with my ex when suddenly he shouted, 'You're the road and I'm the drill?'
STEPHANIE: That's really weird! What did you do?
BECCY: I had to stop having sex because I couldn't stop laughing! I realised he wasn't joking either and he thought it would turn me on, which made it all even funnier!
STEPHANIE: I had a one-night stand last year with a guy I'd taken home after we'd met at a nightclub. We went into my room and started kissing and tak- ing each other's clothes off. When I started to take his pants off I realised he'd already come and I was gutted! He definitely had problems with premature ejaculation because I hadn't even placed a hadn't on him.
BECCY: Did he try to explain?
STEPHANIE: No, I think the poor lad was too embarrassed.

EMBARRASSING SEX

STEPHANIE: I once got caught having sex by my mum. That was quite embarrassing.
BECCY: Did she freak out?
STEPHANIE: Not really she just walked in the room and saw my boyfriend's bare arse in the air on top of me! She went out quite quickly. I think my boyfriend was more worried about it than me, he said he'd never step foot in my house again because he couldn't face her!
BECCY: I was having sex with my boyfriend once when things got so energetic I fell off the bed! I felt really stupid but he just thought it was funny! I soon climbed back up and carried on!

THREESOMES

BECCY: That's something that I've not tried before. I wouldn't do it now because I'm in a relationship and I don't think that's a good thing to do!
STEPHANIE: If you were single would you do it?
BECCY: I'd certainly think about it because it might be quite interesting. I couldn't do it with my boyfriend because I'd get too jealous if another woman was doing stuff with him!
STEPHANIE: I've not had one either but if it was offered I'd consider it. I think two blokes with me would be a dream come true!

> **'I find it amusing to spit it in the guy's belly button, but they often don't!'**

LESBO LUST

STEPHANIE: I wouldn't say I particularly like it but it's something I do a lot with my mates when I'm drunk.
BECCY: Have you ever taken things further than kissing, or would you?
STEPHANIE: No women really don't do it for me that way. I don't mind snogging for a laugh but it doesn't float my boat.
BECCY: I'm like that, too. I wouldn't take it further than that.

BUM FUN

BECCY: I think it would hurt too much so I'm never going to try it!
STEPHANIE: Are you not even a little bit curious about it. I've tried it once. It hurt at first but then it felt quite nice.
BECCY: Maybe, but I'm not convinced yet.
STEPHANIE: I think you should give it a go. I'm going to try it again but I'm waiting for a special occasion.

HUGE WILLIES

STEPHANIE: One of my ex-boyfriends had a real beast! The best thing about it was that it had a good girth as well, which made sex fantastic.
BECCY: My current boyfriend has got the biggest willy I've ever had. It's about eight inches and it's absolutely amazing. It does the trick every time without fail.

SEX OUTDOORS

BECCY: I like it, it makes sex interesting. I've had sex on a trampoline before and that was really good fun. You have to get the timing just right!
STEPHANIE: I once had sex up against the wall at a football stadium. It was at night so no one saw us luckily. My fella loved it as much as I did. He scored a hat-trick as well giving me three orgasms in 10 minutes!

SPIT OR SWALLOW

STEPHANIE: I swallow if I'm taken by surprise and he comes quickly but that's not usually by choice!
BECCY: I always spit because that's my natural reaction to it! I find it amusing to spit it in the bloke's belly button, but they're not always keen for me to do that!

BONDAGE

BECCY: I quite like bondage. I've used hand-cuffs, blindfolds and indulged in a bit of spanking quite a few times! I love being dominated so bondage is the perfect way to give my fella complete control over me.
STEPHANIE: I've not tried bondage before but I'd love to give it a go. I'd quite like to be tied to the bed and let a guy have his wicked way with me. That sounds like fun!

FAKING ORGASMS

STEPHANIE: I never do it now because I can't see the point. When I was younger and learning I used to fake it all the time.
BECCY: Do you just tell a bloke if it hasn't happened for real then?
STEPHANIE: If they're crap in bed I tell them to pull their socks up! It makes them try even harder to give you a real orgasm!
BECCY: I used to fake it but these days I don't. I don't need to at the moment as my boyfriend always give me one, but if he ever stops performing I'll be quick to tell him!

MY FANTASY

BECCY: My fantasy is having sex in the middle of a football pitch in front of the home crowd before a game!
STEPHANIE: My fantasy is having sex on the M1 motorway with my boyfriend. Then we really could be the road and the drill!

CHRISTMAS EVE

CHRISTMAS DAY

Strictly Come Dancing Christmas Special – BBC1, 4.40pm

TESS Daly and Claudia Winkleman present the traditional festive edition for Christmas Day, which sees the return of six faves from past series.

Chizzy Akudolu, Gemma Atkinson, Richard Arnold, Debbie McGee, Joe Sugg and Mark Wright take to the dancefloor to perform special Christmas-inspired routines, with judges Shirley Ballas, Bruno Tonioli, Motsi Mabuse and Craig Revel Horwood giving their thoughts.

However, it's down to the studio audience to decide which couple should lift the Silver Star trophy.

Gavin & Stacey Christmas Special – BBC1, 8.30pm

ONE-off festive edition of the comedy, which returns after a nine-year break.

The Shipmans travel to Wales to spend Christmas with the Wests, but for Gavin and Stacey, parenthood continues to present them with several challenges, and their kid is now nine.

Smithy also continues to commit to his fatherly role, making the journey to Barry at weekends and every second Wednesday to see 12-year-old Neil.

Nessa has adopted her own style of mothering, while Pam, Mick and Gwen have become the epitome of doting grandparents.

Starring Mathew Horne, Joanna Page, James Corden and Ruth Jones.

Get on the right track

James May, The Christmas Reassembler: Hornby Train Set – BBC4, 7pm

A FESTIVE special where James puts together a Hornby Flying Scotsman, his favourite childhood Christmas present, which he was given in 1972 and sent him on to a path of mechanical intrigue and reassembly.

Laid out in all its 138 component parts, he lovingly reassembles the train as well as giving his memories of Christmases and toys past.

Once, toy train sets made a million children happy, but now they are the preserve of "nostalgic, sad and disappointed old men," May points out, before adding, "I've got hundreds."

Not Going Out Christmas Special: Driving Home for Christmas – BBC1, 10pm

LEE and Lucy pop out on a last-minute Christmas Eve mission, leaving their youngsters in the apparently capable hands of Geoffrey – cutting more of a strict and stuffy Victorian gent than usual – and wife Wendy.

Alas, things don't quite go to plan for the outward-bound duo, as a theft and unexpected trip into deep countryside await. Not only that, but there are encounters with an aggressive bull in a field and a terrifying truck driver.

Lee Mack, Sally Bretton and Bobby Ball star.

Not The Robbie Williams Christmas Show – ITV, 10.05pm

BOTH razzle and dazzle are in the offing at this one-off concert, an "intimate" show filmed at the 850-capacity Alexandra Palace Theatre in London.

Williams, the former Take That singer, delivers his signature eyebrow-waggling mix of massive hits, Christmas favourites and of course, "a glittering array of celebrity guests".

If Robbie's new album *The Christmas Present* is any guide, those guests could be any or all of Jamie Cullum, German singer Helene Fischer, Bryan Adams, Rod Stewart and, er… Tyson Fury.

BOXING DAY

Paddington 2 – BBC1, 7.20pm

PREMIERE. The lovable little bear has settled into his new life with the Brown family in London, becoming a much-loved member of the local community – until his search for a birthday present for his aunt leads to him being framed as a thief.

While the Browns attempt to clear Paddington's name, he tries to make himself at home in prison, winning over the other convicts and getting involved in an escape plot.

Comedy adventure, starring Hugh Bonneville, Hugh Grant and Sally Hawkins, with the voices of Ben Whishaw and Imelda Staunton.

Absolutely lovely stuff.

The Wolf of Wall Street – C4, 11.05pm

A NEW York stockbroker rises from unemployment to become one of the richest men in the city's financial elite, through an illegal scheme to defraud investors.

His wealth brings him an outrageously debauched lifestyle, but comes at a price as the FBI become suspicious of his manipulation of the markets.

Martin Scorsese's fact-based drama, starring Leonardo DiCaprio, Jonah Hill and Matthew McConaughey.

But the main thing to mention about this film is that the stunning Margot Robbie gets her teats AND her neat blonde minge out.

Superb stuff.

DON'T MISS THIS!!!

Guardians of the Galaxy Vol 2 – Saturday, ITV, 8.30pm

PREMIERE. After saving Xandar from Ronan's wrath, intergalactic outlaws Peter Quill (AKA Star-Lord), Gamora, Drax the Destroyer, Groot and Rocket Raccoon are recognised as heroes.

Now, they must fight to stay together as they unravel the mystery surrounding Ego, a man who claims to be Quill's father.

Writer/director James Gunn's follow-up to his 2014 blockbuster, which reunites Chris Pratt, Zoe Saldana, Karen Gillan and Dave Bautista, with support from Kurt Russell, Sylvester Stallone and Pom Klementieff.

Bradley Cooper also provides the voice of Rocket and Vin Diesel is Groot.

CHERRY XMAS EVERYBODY!

By GRACE HOOPER
news@sundaysport.co.uk

CHEERY Cherry says she loves Christmas – but it makes her feel homesick.

The beauty was born and lives in Moscow but spends so much of her time in London that she's almost lost her Russian accent.

And this year she's going to be spending the festive season in our capital.

Cherry, 33, said: "I am doing an anal sex compilation in London and I need to be here on December 27.

Anal

"So I can't get a flight back from Moscow in time.

"This year I will stay in London.

"Of course, I will get Christmas Day off – no anal on Christmas Day for me.

"That is one of your English traditions!

"Then the day after Boxing Day, I will do my speciality – ATM. It is like Christmas pudding… burp!"

By WENDY THOMAS
news@sundaysport.co.uk

STUNNING Tommie Jo started her New Year resolution early...

She's been hitting the gym every day since the beginning of October!

And as you can see by the 32DD babe, from Walton on Thames, Surrey, she's in great shape.

Horny

The 32G beauty said her exercise regime has been paying off, adding: "Not only am I looking good but all the exercise has made me really horny, too.

"I just can't seem to get enough cock!"

SUNDAY Sport SEXY BACK END!

JAMIE: ALL I WANT FOUR XMAS!

PRETTY Jamie Jenkins looks festive in her Santa outfit – and her Xmas wish is to try a FOURSOME.

The 32C cutie from Cobham, Surrey, says she loves the idea of multiple partners at once.

By WENDY THOMAS
news@sundaysport.co.uk

Jamie, 26, said: "I'd love to have a foursome. And it would have to be with two women and one man – that way the women are in charge.

"Me and the girls would

have a bit of a fool around and the guy would have to satisfy all of us until he's absolutely spent.

He'd need plenty of stamina!

"I've been really good this year so maybe I deserve to have my Christmas wish come true!"

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I'M a 25-year-old with a girlfriend of 30 and we have plenty of great sex whenever we get the chance.

She often indulges in blindfolding me before I wake up in the morning, then tying my hands to the headboard.

Then she will wake me up by circling her tongue around my bellend until my knob is erect before taking my full eight inches deep to the back of her throat.

She then sits on my face, gyrating her hips to and fro to get me back to full stiffness before sliding onto my raging member and bouncing up and down.

Trouble is, I'm shattered and have started falling asleep in work during the day. Please help!

GM, Glasgow

Kelly says...
EITHER tell her you've got a headache or pick up some energy drinks on your way to work.

Dear Kelly,

I'M a 24-year-old builder and get through an awful lot of boots on site.

Last week, with my soles flapping, I went to a shop near where I'm grafting and the only person in there was a woman of about 40 on a set of steps, sorting out boxes of shoes.

As the sight of her long legs in black stockings got me going the busty brunette saw the bulge in my kecks and took me into the back storeroom where we quickly stripped off and I took her doggy-style over a pile of shoe boxes.

Afterwards I left in such a rush, I forgot to pay for the boots.

Should I go back and settle up?

RC, Birmingham

Kelly says...
PAY up – she'll be so grateful that another shag is an absolute certainty!

SUNDAY Sport SEXY BACK END!

Younger lover teaches old dog new sex tricks

Dear Kelly,

I'M a 45-year-old married man and I thought I knew everything about sex – until I started an affair at work.

She's 19 and gorgeous.

The first time I f**ked her, I was so turned on by her lithe young body that I ejaculated after just a minute.

But she told me not to worry, adding that she was sure it would be better next time.

This was the complete opposite to my wife, who always insisted that I "get it over with quickly".

And for our next f**k, she suggested we go to a hotel.

Once inside, she switched on the telly and started to strip slowly to some music.

Panties

By the time she got down to her undies I had a steaming great hard-on, and when she finally removed her bra and panties I dived on her.

But rather than let me slip straight into her, she grabbed my cock and squeezed it just behind the bellend.

This caused my erection to subside and she got to work on it with her lips, licking and sucking it back to its rigid glory.

After a while she got on all fours and let me enter her from behind.

But when I started to thrust away furiously, she pulled away and squeezed my dick again.

This went on for ages until, when we finally got down to it, I lasted for 45 minutes – a record time for me!

Since then we've been meeting twice a week and every time it seems to get better.

This girl may be much younger than me, but she's taught me a hell of a lot.

Now I fancy getting myself a slightly older model to learn even more.

What do you think?

GJ, Dorset

Kelly says…

YOU'RE pushing your luck a bit. Stick with what you've got or you may end up having "to get on with it" with your wife!

Dear Kelly,

WE had a college "old girls" reunion the other week in a function room of a local pub and hired a fit male stripper.

During his sexy act one of the girls got a bit carried away and pulled off his posing pouch and his bared cock was at least 10 inches long!

That did it for most of us girls and we all piled on him.

He was a game fella and encouraged us to sit on his face while a few of us played with his knob.

We're thinking of doing it again in January.

CB, Portsmouth

Kelly says…

GOOD idea. Party on, girls!

Kelly says…

MERRY CHRISTMAS, READERS!

ZLAT'S A FACT

Ancelotti wants legend at Everton

CARLO ANCELOTTI is begging Zlatan Ibrahimovic to join him at Everton.

The Italian is on his way to the Toffees and wants to make the big striker his talisman.

The former Man United ace is a creaky 38 now but would be the iconic first signing Ancelotti wants.

By BRENDAN MACKIE

He has identified a lack of experience in the Everton attack and the pair worked together well at Paris St Germain.

The Toffees only really have youngster Dominic Calvert-Lewin and will bring in a striker whatever happens

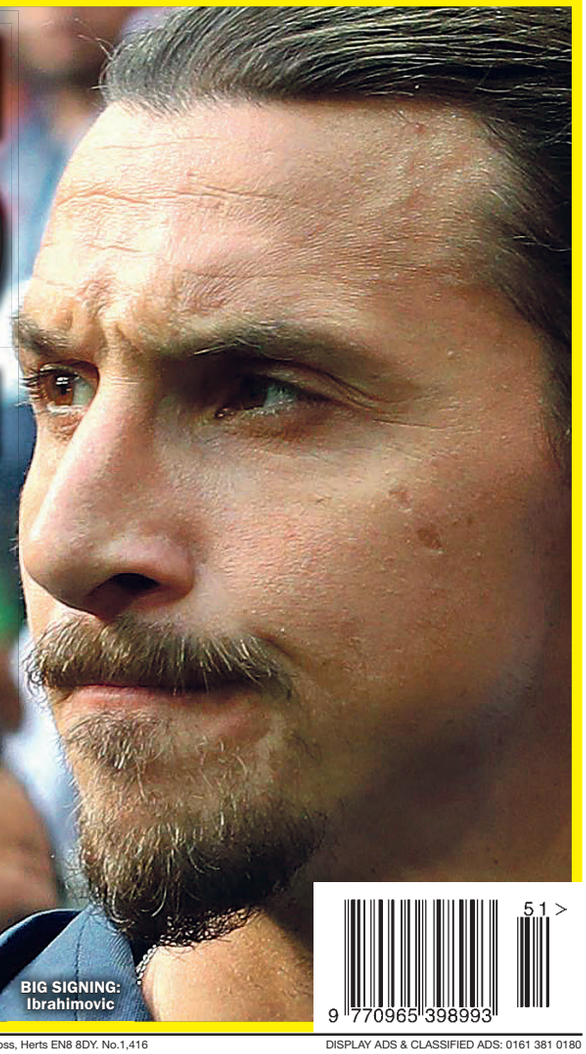
Ibrahimovic was linked with a sensational return to Manchester United this summer but it never happened.

He has left LA Galaxy now and is a free agent.

The Toffees could sign him until the end of the season and Zlatan's options elsewhere are thin.

Everton could offer an amazing £500,000 per week until May.

AS Milan may be interested but could not match the wages on offer at Goodison Park.



BIG SIGNING: Ibrahimovic
